“ Bill spent a lot of time telling me how much he loved Barb and how much she loved Jesus. Her constant devotion to bringing glory to Him was always an inspiration to me, and her rock-solid ways of loving Bill and her kids was really neat to see from the distant view I had.

I know that I was always encouraged to seek Christ more, every time Bill told me about Barb and how she was handling her illnesses.

Our loss here on earth is Heaven's gain, yet we will be praying for God's grace and mercy to help you through these tough times.

God bless you!

She was the most amazing, inspiring and big hearted friend I have. She love God and her family with all her heart. I will miss Barb so much. The walks, the talks, the joys, and even the sorrows. Bill, Brynn, Brock, Brandt and Olivia may God comfort you and give you strength to get through the days ahead. “ My deepest sympathy to you Bill, Olivia, Brynn, Brock, Brant on the loss of your dearly beloved Barb/Mom. She was special to all of you but also to all that knew her kind, loving, and concern for others. She was a special friend to my daughter Alicia and thus became a friend to me. We were all "forced" to become members of that "dreaded club", cancer, when we learned Barb had fought Hodgkins Disease as did our Angela. Angie later developed breast cancer and lost her battle in 1997. I also developed breast cancer after Angie died, then later we learned it was BRACA positive and Alicia's test was also found to be positive. She has had numerous surgeries to prevent becoming a victim also. Your faith in God and knowing he is always with you will help in this time of sadness. As friends we also are here if you need us to listen. Barb is missed by all of us.##imported-begin##Pat Black##imported-end##
