BE

Such a loving caring woman. So many funny stories she shared with me. We would laugh so hard we would end up crying. I'll miss my visits with her and that smile and laugh. Will always and forever be in my heart and thoughts

*“ She was our "neighborhood mom". When one of her kids got in trouble that we were with, we all got in trouble! Her home and heart were always open, and that lasted throughout her life! It truly was a case of "it takes a village to raise a child" in our neighborhood and the Jones house was in the center of that "village"! So thankful to have had her and Nancy such an integral part of my growing up years and my life! Barb is well loved will be missed tremendously.*
