“ *Dear Bobbie, I will miss you very much. You were such a loving caring wife, mother, grandmother & great grandmother. I wish I would have been able to visit you & my brother more often. But I am so thankful that I got to see you one last time at Wendy's daughter's baby shower. As always you were helping out where needed. This is just who you were-kind & generous. A gentle spirit loved by all who knew you. Love, Carole Pooler*

“ I had the pleasure of getting to know Barb as she was a crossing guard for the Manteno Schools. She was so dependable and she truly cared about the children. She will be missed. I'm so glad I had the opportunity to spend time with Barb over the years. Her family also spoke very highly of her. She will truly be missed by so many.

“ “The star” grandma as Josh used to say! (Because of the star on your house!) Thank you for sharing your amazing daughter Wendy with us! You and I together have had the honor and blessing of hearing Brittnay, Luke, Georgie, Steven and Joshua call us grandma for so many years! And...our precious Ariana great grandma. We only say farewell now...soon we'll all be together again in heaven without strife or pain...just praising our Lord and Savior! You left a good heritage Bobbie. You were loved and will be missed by more people than you realized. We loved you. Cheryl & George

“ Mom was a loving, caring, fun person to be around! She always tried to lighten everyone’s moods anyway she could. She was always there for me when I needed her! My wife Anne , her daughter, was not only her daughter, but was her best friend! They did everything together, it was always hard to tell whether they were out at antique shops or just sitting having coffee together and sharing each other’s thoughts and stories. I will always have a special place in my heart for you Elvis mom ! Rest in peace and know that your family is still strong and yet broken without you here, however your memory and spirit will always be in our hearts 💜💜
