Tribute: Dear Judy, Little did we know when we spoke Saturday on Sunday Barry would be gone. I know how hard the past year has been on both of you.I hope Barry is at peace now and you will find some measure of comfort in knowing that and in how much he loved you. You are in my thoughts and prayers. Take care.

Tribute: I worked with Barry at CBI and at Amico. I talked to him and worked with him on a daily basis. Plus him and his mom were good friends of our book store. Paula was sad to see the notice. I hate that our whole group of 25 years were separated, and I missed Barry a lot. I kept in touch for a while, and recently I had been thinking about calling him. Miss you, Buddy. You were a serious friend. Jack
