“ Momma got to feel you from the inside out and it was the best feeling momma could ever feel. The moment they put your tiny little body in my arms, I knew that I would never stop loving you. The only breathe you took was threw me. The only way you saw or felt was threw me. You know Momma is sad, but I know that one day you'll make Momma happy again! Time will tell. Until I get to hold u again... Love you my sweet little boy Bentley
