Jean, you have my (and Michele's) deepest condolences. You probably don't remember me, but I used to hang out at Copper Corner ALL THE TIME. I even lived next door, upstairs and Donnie Jensen was my buddy...in fact, I think you guys even lived by me at one time when you lived in the 1400 block of Eagle, I lived right around the corner on Osborn...I remember you guys very well and am very sorry to hear of Squeak passing on to the next level. I hope you are Ok and and please know we are all sorry for your loss....sincerely, Mark Wegner
