“ *My deepest condolences to Merle and Sharon and their familie
It is a sad moment in your lives. I am deeply saddened by this
loss.

 I will always remember Aunt Bernie. Her joy
life, her hard work, (which was all of her life) and love of her family. She
always had a smile whenever one met her. She always had a chee
word. She was so wonderful to me with the loss of our dad, her
brother, to whom I know were very close to each other. She was a
good person. She will be truly missed.

 God bless you
and may God send his blessings to help you through these very difficu.
times of pain.

 I With deepest sympathies,

“ Merle and Sharon: Your mom always had ĩ½a comforting way about her. Her smile was always such a welcome. It was always a pleasure to see her and your dad. I missed those days after Russell's and my divorce but thought of them often. My sympathy and prayers go to you and your families. May His blessings bring you peace and may you always know that you are not forgotten.
