“ *...I remember babysitting your grandchildren with my (then) wife at your son Johns' home in 1975, and you showed up with what I thought were the BEST oatmeal cookies I had ever encountered to that time. I always asked my wife to get the recipe; even tried to get it from John later on when I worked with him (on the RR) but was always told "huh?"*
Now I'll never know...##imported-begin##
