“ *Marianne,
I was so sorry to hear about your mom's passing.
Any time is a bad time to lose a mother but with this virus and
limited contact it feels even worse.
Please know that I often think about you.

“ *Marianne,
We had a wonderful time growing up together in Manteno. We rode bikes, walked, fished, built a tree house and your mom always made me feel comfortable when I visited in your at your parents house. I know you will miss your mom. I pray the Lord will comfort you and your brothers at this time.*

I remember the first time I heard my mother laughing and having a great time; it when she was with Bernita and her other sisters. I don't think I've seen any other people enjoy each other's company so much.
