*Tues 7/9 ..... Barb ..... My condolences on the loss of your wonderful Mom to you, Cheri and Pam. I am an old friend, Barb, from the summers at Jeffers Park Field House on the south side. We had such fun summers when we were 12-14 years old. All the summer day trips to Riverview Park in Chicago ..... with your Mom and Leona Tracy trying to keep us kids together and the noise down. More fun. I remember your Grandma sewing dancing costumes for us to wear in the Civic Auditorium end-of-summer show. We were cowgirls, and dancing girls! Lots of sequins and lots of red broadcloth. She could sew beautifully! I have warm memories of your family and how welcome everyone was made by your Mom and Dad and Grandma. Hard to believe that was over 60 years ago! My Dad was killed in an auto accident July 31, 1957. I had just graduated 8th grade. It was hard. I still miss him. You were blessed to have your Mom so long, Barb. My Mom passed in 2013. She was 99. May you and I also have long lives lived well. I would love to hear from you, Barb. You were a good friend and always made me laugh. I have great pictures of us at Riverview and in our costumes for the Civic Auditorium Park District talent show ..... with Judy Alexander and Linda Fritchley, etc. Wonder where they all are now. I send you my best and will keep you and your family in my daily prayers. Would love to hear from you.*
