“ I wish I could be there to give everyone a hug. I did not know of Betsy's passing until Friday night. Jeff, Shawn, Derek, Lance, and Brandon you all have my deepest sympathy. I know that your Mom loved you very much. Betsy brought joy to our family when our parents adopted her. Betsy had a determination for life, even in the hard times. Please accept my apologies for not being there tomorrow and many times in the past. Betsy will always be in my heart. I remember car trips when we were kids with my parents and grandparents. We had such good times. I remember wonderful dinners at Aunt Velma's with all of our family.

Jeff, Shawn and Derek - remember when you used to stay with me when your mom was at work? We were out at the farm.

Lance and Brandon I remember sitting in the kitchen with you mom and watching Lance push Brandon in the pool. We adults were out the door in a flash.

I would love to see all of you. I have pictures from when you mom and I were kids that we could share. Please call or write. Much love and God's blessings.

“ Derek,

Jason and I are very sorry for your loss. My mom sent the paper to me so thats how I found out. I didn't know she lived in California. I think I might kave met her many years ago in when she lived in Kankakee. She was still so young. I lost my Dad 5 years ago and he was only 52. It kind of stood out to me that she shared the same birthday as my Dad. Again we are very sorry for your loss. I hope all is well with you and your family.
