“ *My grandma was always an inspiration to me. She inspired me with her strength, courage, and encouraging words to always strive to do my best! She will be greatly missed but I know she is happy to be with grandpa again. We love her and will forever cherish the wonderful person she was!*

My Grandson Kip has been fortunate enough to have had his Great-Grandma's letters read to him since he was an infant by his Mother, Shannon. Betty could write! We were always delighted to receive her letters, (and still have most of them), because her mirthful, witty style always showed through in her words which made me think that she really enjoyed writing. We cherish those letters and wonderful memories of our times with Betty, a most gracious, phenomenal woman. Martha Molloy

“ *Many with whom we have shared
love, laughter and life
never leave our minds and hearts...*

*The laughter, conversations, hugs,
tears and good vibes stay,
long after they pass...*

*With a smile on my lips
and radiating warmth
deep in my soul,
I will remember my friend,
(and fabulous Mom-in-law),
Betty Molloy...*

Grandma Betty was so upset that her little "punkin's" snow white baby skin got a little blister from the hot, hot sun when we visited her and Grandpa Wally that year (1972). Martha
