“ Dear mom, there are so many things I wish I had said and done, it is a regret I will carry with me always. So many times I will see or hear something that reminds me of you and I wish you were here. Ian & Emma talk about you sometimes, Ian remembers how you used to play with him and read to him. I know I didn't always show it, but I love you and miss you; I think about you every day and wish I could spend just one more day with you to tell you all of things I wish I had said when I had the chance.

I hope you have finally found peace.

Loving & missing you always-
