“ It's hard for me to pick "just one memory" as there were so many. How she ever managed to put up with Mary's and my sleepovers in Wilmington is beyond me! I'm sure that we added to the grey hairs on her head. She always managed to laugh at the loud music and laughing that went on for hours.  
I would love going with her and Uncle John to the office- where Mary would get us in trouble ( had to add that one cuz :)). I will miss you.

Love you Kathy and Mary.

“ Aunt Betty, my Godmother. She laughed easily, embraced all of our goofiness. I have such warm memories of spending time at the Wilmington house, helping her hang clothes on the clothesline, eating Perfect potato chips, going to the beach club. Of course Christmas eves. Now the Kubinski sisters are together again. Thinking of you, Kathy and Mary. Love Lynn

“ Our thoughts and prayers are with your family at this time of great sorrow. Betty was a wonderful friend and coworker. I will never forget all the laughs I had with her. I only had the chance to visit her a few times after she went to live at Bradley Royale. But enjoyed getting to see her again. She would call me occasionally, and I her. I made sure to stop and see her so she could get to meet my daughter, and send her cards with family pictures. I wish that I had been able to visit her more often, but with living in another state now, and not getting to come back to visit for very long, it made it very hard to get to see everyone I wanted in a short period of time. I will always hold her close in my memories. I love you Betty!!
