Tribute: I will always hold a place for you in my heart. You have always been there for me. You always had a kind way of helping me when I was down or needed a listening ear or a word of advise. You helped me to be a better person, wife, and mother. You taught me so much. Mostly how to be a good mom, and who better to learn from. You loved all of us unconditionally. I have become a better person for having you in my life. I cant imagine not having you in our lives physically, as I know you will always be there for all of us in spirit. It comforts me to know you are no longer suffering. You never deserved to be in pain, you were too good of a person for that. I thank you for everything you have done for me. I thank you for the love you gave my child. I thank you for raising a great person who became a great husband to me and father to his child. You were the world to us and not a day will go by that we will not think of you and miss you! I love You! May you rest in peace.

Tribute: Betty was a very special person to me. From the time our kids were in grade school we worked together and laughed together. Together, we talked and listened. Betty took my wedding dress and made a baptisimal gown that all my grandchildren have worn. All my kids know how important that was to me. As the years passed we didn't see each other as much but the friendship was as strong. Betty will be missed and she will always be remembered.
