“ Betty and Bob were my first employers at the Tri K restaurant. Try-K was a family, I know it is hard to say that now about work but it applied to the restaurant. Betty was like a mom to me I didn't want to disappoint her so I did my job the best I could. Over the years I would meet up with her here and there and she always knew me even when I started losing my hair. She was a wonderful lady and will be missed. It is hard to believe that was 50 years ago. Remember to share the memories and laugh a lot they were fun times.
God bless you all.
