“ Pat will sure be missed. A true friend and great boss. The times of work was really not work she made things easy and fun. Letting us gal's (Anna and Rose) get an all girls pool league started was really the best time off my working life experience. It's really bad when you get too busy and don't make time to meet up with your pass. I will have regrets not getting too see her, but will remember her and Jim coming to pay their respect when Glenn died. I will definitely be taking there wedding picture and put it on the pizza paddle and hang it with pride knowing her. Love you Pat rest in peace!
