“ My mother, Nelda Mulhall, got to know Betty through Fran Brosseau. Mom regarded Betty as a close friend and I remember hours and hours of fun with Mom, Fran and Betty whether it was playing cards or celebrating birthdays. Betty was someone you really wanted to be around.
My sympathy to her family. I know she will be sorely missed.

“ My deepest condolences to the whole family. I have not lived in the area for many years but have many fond memories of friendship with Merikay, and remembering Mrs. Warpet as a fun mom who let us kids in the neighborhood have fun just being kids. She was definitely full of personality and somebody I will always remember.

“ My condolences to the entire Warpet Family. So many fond memories. Hours on end of Back Alley Bridge and Aggravation at the kitchen table on Michigan Avenue. Those summer nights out in the tents. The teen crushes and neighborhood drama. Shuffle board in the basement as well as at Little Pete's. I loved Betty. She allowed us all to have fun but she watched and protected everyone of us kids. So many of my growing up memories are of her and you 4 Warpet kids. My mom still lives on Michigan and never a time I go by your house without thinking of you. Now as a mom and grandma, I realize what a great mom you had. Love all of these pictures. Peace to her and all of you.

“ Betty always told it like it is. She never sugar coated nothin, I loved visiting with her. I always liked hearing about her days in the military as she had this picture hanging up of her in her uniform. I will miss Betty so much.

I remember riding bikes with my grandpa Fran and going to visit with Betty on her front porch. I also remember going fishing with her too and her talking about those good ole days fishing on the river. I know she always had her flag and marine flag flying it proud on the side of the house.

Sending my love prayers to her family. Fly high Betty and hope your getting to see everyone up there.
