“ Deb,

We are so very sorry to hear the sad news about your mom. Tim kept us updated on your mother's recent surgery and we all rejoiced when she was getting better. But God had a bigger plan for her. Deb, please keep your head up, smile and again rejoice for your mom because she will never suffer again and she is with our Heavenly Father.

You have a wonderful husband to lean on and share your tears with during this time of sorrow but remember God will help you thru this time also. May the Peace of the Lord be with you and your family.##imported-begin##Presbyterian Homes of Louisville##imported-end##
