“ Mommy, I will Forever Miss You I will always carry you with me in my heart. I start to question why you had to leave so soon, but then God Spoke to Me and He said to me That your Earthly Journey was now over and you were now going to hear the Words “Good and Well Done My Faithful Servant” and Jesus was ready to welcome you into Paradise. Where I know Your Daddy and Brothers and Grandma Green & Grammy & Ricky & Uncle Harry were waiting to give you a tour of Heaven. I have this picture in my head when I close my eyes that I can’t shake, it’s you and Papa walking the streets of Gold and you are telling him all the things He’s missed out on the past 30 years he now has 9 Great Grandchildren and one Great Great Granddaughter. I know you are in paradise and I wouldn’t want you to come back to Earth because compared to where you are now it would be selfish to want you to come back to Earth. So do your Baby Girl a Favor and save a place for me when I get there and we can both walk the streets of Gold and I can tell you everything you missed out on. Please watch over my Daddy He lost half his heart when you left. I Love You Mommy. Forever Your First Baby Girl. ❤️
