“ My dear departed grandmother, how I loved you for you showed me who you really were in life. ĩ½You were not taken well by the rest of my family, but I always have and always will love you throughout the rest of my natural born life. ĩ½You showed me that no matter what happens to you and no matter what is said about you and no matter what is done to you, you should always hold your head high and realize that God is watching over you and will always have a special place for you in his hear. ĩ½I made it through alot of rough times with your help, i'm not sure what i'm gonna do now that your gone. ĩ½I don't have anyone to call when i'm feeling low and need a bright voice to talk to on the other end. ĩ½I'm gonna miss hearing Aron Michael come from your sweet angelic voice. ĩ½I was your first born grandson and you never let me forget that. ĩ½I always held a special place in your heart, and forever more you will hold a special place in mine. ĩ½I love you dear sweet woman, and no matter what happens in life I could never forget you.
