“ Dear Bruce, Jim and all the family, we are so sorry to hear of Billie Jeans passing. We did not know that she was sick. Haven't kept if close contact but always enjoyed a visit when we would run into each other in the grocery store or wherever. We sure spent lots of time together when we were young and our parents were best friends, went to church, Sunday school and bible school together, etc. It doesn't seem possible that she, Jackie and Brent are all gone. Bruce, Jim and rest of family. So surprised and saddened to hear about Billie Jene. We were friends since Bible School when we were 3 or 4 on through school in Papineau and St. Anne. She was a very special woman. Dianna (Voss) Orf

I am so saddened to hear of Billie Jeans passing, oh how the years have flown since our carefree days of high school which leaves so many fond memories of Billie Jean and our circle of friends back in the day. Though we'd not kept in touch over the years, the comments I read here of those who have known and loved Billie Jean in these past years are just the memories I carry of her from 50 years ago. Uplifting all of you in prayers of strength and peace.
