“ We're so sorry to hear of Blanche's passing. Sitting here, remembering all the good times you've both shared with Mom & Dad and Rick & I. We reminisce about all the card games and your "motorcycle club". There was never a dull moment with you both.

Know Jerry, you and your family are in our thoughts and prayers.
Love to you.

“ I'm so sorry I couldn't come to any of the services as I cared about Blanche and continue to care about the rest of you. I will never forget how you, Jerry and Blanche were there to help me with all of Grandma's needs as the end of her life neared and the last loving act her nephew gave her!! That brought me great peace at such a difficult time in my life and I wish I could do the same for you! However, Dad has dementia and lives with me and I am the only physical care giver for him. I'm afraid to leave him all alone in these temperatures for fear he would go outside looking for me and fall and freeze to death before I could get home. If there is anything I can do for any of you, PLEASE let me know! I hope there will be sometime and someday I can see you before you go back to the warmth we northerners have to dream about for a few more months. This weekend is supposed to be warm enough I could leave Dad alone for a little while and come visit you if that works for you. Please let me know, I'm in the phone book-Pagano- in case you forgot how to spell it. The LORD's BLESSINGS to all of you, may he BLESS you with the peace and comfort you deserve. Love,
Linda

“ So sad to hear of the loss of such a wonderful person. She was an ardent euchre player and together we tried desparately to beat Jerry & Jack (my late husband).

Altho with the loss of my Jack, I did not venture to Seminole to visit, but she was in my mind often. God will take care of her now Jerry.
