“ Lillian is Joseph at your house he is mad at me. Aunt Lillian will take care of me and Sheree will take me bike riding. Miss those days. Bonnie knew she pick up the phone I would be there for her if I couldn't reach her on the phone I was busting in the front door looking for many days rescuing her out of the shower helping her get dressed. I sure miss that dear friend. The only person that cut my hair the right way. Renee, Angela, Richard and my sweet Joseph my heart goes out to all of use. She loved you all so deeply. I know she was so happy to move closer to all of you and her grandchildren. I will help her in my prayers. For my closer I will be having a mass said at my church soon for my family to honor a great family friend. God Bless I know she will watch over Jimmy in heaven.

“ Oh my sister who taught me “I GOT RIGHTS” like no one else. Come over here so I can thump your pumpkin. Change that damn country music to some rock Cindy. Get me just six big oranges, that will last me the week. Could you just do that a little faster Cindy, please and thank you. Do what’s right, you’ll never be wrong. Give no evil person one ounce of power. Forgive, if you don’t you’ll rot inside. Have faith God will understand. Love Loren forever he’s the best thing that ever happened to you. Could you run to Kroger for a few groceries, here’s \$400.00. And it’s sleeting out and as I carry in a hundred plastic bags I’m sliding up the ramp. At the top I land on my head. HeyCindy, those weren’t my eggs were they? Let’s go get a few flowers, Trailblazer full to the rim. Oh Cindy you can plant these today right, please and thank you. Let’s go on a road trip and have a few memorable shenanigans. We pull into a tavern called Shenanigans. Yep it was a great trip. Bonnie, I need you back. We weren’t done yet. I can’t go on through this challenge called life without my best buddy, my late night talking friend, my big sis. I miss you. I miss you so much. Come back.

Tears in my eyes as I read your wonderful memories (shenanigans) you and Bonnie made. She sounds as if she had such wisdom on right and wrong and taught you to always remember her words of wisdom. Sympathy to you and your family.

I wish there were some magic words that could help with the pain. Keep those memories safe in your heart to pull out when you need a “Bonnie” moment. My heart goes out to you and your family Cindy.

“ Ohhh my momma, I LOVE YOU!!!! YOU like how I slid that in there "Bonnie hear me Roar" anything else would have been short of the truth. You blessed me with many things in life from memories of being chased by the rooster to brighten your day (lucky i was quick that thing hated me) to giving me a suppository when I was young and sick but forgot to tell me where it went so I broke the slippery thing in half and swallowed it (I was like 9 so you guys stop laughing) you healed many wounds from my toe to my heart and taught me to have strength beyond its meaning.... to keep going no matter what.

Thank you Momma!!!! I miss you I LOVE YOU
