“ "GG" was the best Grandma that anyone could ever ask for. She was so sweet and kind without ever asking for anything in return except for a big hug.

“ We offer our sincere condolences to all of Bonnie's family. We have known Bonnie for quite a few years. Tom worked at Gould's with Bonnie & Bill & I met her when I worked at Dr. VanDrunen's office.

Our son John married her Granddaughter, Kathy, so we always knew how Bonnie was doing.

She is truly at peace forever.

“ I cleaned Bill and Bonnies house for a long time while before i got married and moved to Iowa. i loved working for Bonnie. she was one of my favorite houses. she always had friends and family over and she treated me like i was one of the family. she was always so sweet to me and when i would stay a little extra she would always oblige with a tip on my check. She was always very sweet to me and I loved watching her and Opal and Bill talk about baseball or plants or anything for that matter. she told you what she thought. you never had to wonder what Bonnie was thinking. I will remember her always and her family in my prayers.##imported-begin##Anna Blanchette Ballard##imported-end##

“ It's rare to find a diamond amongst all that Kentucky coal, but if you ever met Aunt Bonnie, then you realize it's possible.

~She is spreading her wings for a journey

She's going to leave by and by

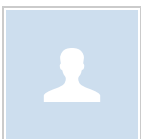

When the trumpet shall sound in the morning

She'll rise and go up in the sky.~
