“ *Brenda was a wonderful person! We discovered that we both had named a son "Grant" and from then on we spoke of our kids often! I just want Grant and Heath to know how proud she was of them, and how her face just lit up when she spoke of them!! Them and her precious granddaughter! She was one of those people who leave such an impression on your life!! Someone that I will always think of fondly and I will never forget!*

“ *My deepest condolences to Heath, Grant and the Sims family. I will always remember the trip Brenda and I made to California to visit my sister Carol and her grandson Ryan. We all had such a good time. I will remember all the times Carol was in town and me, my family and Carol would meet up at Brenda's house and talk, laugh and share funny stories. We considered Brenda an extended member of our family. She was a proud mother and grandmother and will be missed by many.*

“ *Brenda you were my Aunt, Godmother, close friend and birthday buddy. Over the 46 years that we spent together there are more memories than I can put words to.*

I love you Auntie Brenda and I know that you are in a better place, but I miss you more than any words can express.

“ *Brenda was a good friend and loved life and her two sons, as well as her family. Bob, Kaylee and I will miss her laugh, her determination but I know she is in Heaven and in pain no more. Without a doubt the birth of her grand daughter was a grand day and while she wanted to be here with her, she will be looking over her from above as she is probably doing with us all.*

“ I first met Brenda through the Animal Ambassador Program at Riverside; my dog Buddy and I were part of the first group to become Animal Ambassadors. Because of Brenda, Buddy and I have had the great privilege of visiting patients and staff at Riverside for the past several years. One Halloween evening, Brenda walked a group of us through the halls with our dogs dressed in their costumes, and oh how it made everyone smile and laugh! That was all because of Brenda. I know that Brenda's positive influence and wonderful legacy will live on. May Brenda's family take great comfort in that, and may God bless and keep her dear family and friends close at this time. It was a blessing to know Brenda and I will always remember her. With love and prayers,

“ *Heaven is a little brighter today as my good friend, after a valiant fight, has gone home to be with her mom, dad, brother and nephew. My sincere condolences go out to Heath and Grant and the Sims family. I will truly miss my friend and the world will be a little lonlier without her here, but comforted to know that she no longer has the pain and she will be a guardian angel to all of us.*
