“ The family has my deepest sympathy. Through all the years of watching our children grow, there were lots of laughter and good memories. Brenda was one of those people that even years of not seeing her, it strikes a cord to know she has gone on ahead of us. She will be missed but the memories remain. Matthew and Tammi send their regards also. Donna (Denham-Corriveau) Cole

“ Brenda's sisters. I know what it is like to lose a sister. The hurt will never go away. I will always remember how kind you all were to my mom at the nursing home. Brenda and I were good friends in high school and then we lost touch for awhile. I am glad for the short time we had to get to catch up once again altho it was not the best way. I still see Brenda hold Carries son during one of the parties held there and know she did care for her large family. Who would have thought she was not going to be here for long. Take comfort in the fact that she did not have to suffer for long. I hope you find some comfort in these words.

 This was on a stone I recieved for my mom but it is so fitting for Linda also. I hope you find comfort in these words. My heart and prayers go out to all of her family.###imported-begin###Betty Stalnecker###imported-end##
