“ *Brent such a sweet friend to have growing up with him in the neighborhood. He used to be the paperboy for our subdivision and always some in the newspaper box (as a joke) to scare me. It was those fun times that made my childhood fun. My deepest condolences di gonout to each and everyone in Brent's family. It's not fair it happened to a great family. Always remember the good times of Brent and know he's smiling down in you all.*
