“ Mary,Jenean and I send our sympathy to you and your family. Brian and I had some great times together. I remember when he shaved his beard and walked into the Beaverville bar. WE weren't sure if it was him. Bibbit kept calling him Joe College. And all Parksy and I could do was laugh. But, like only Brian could do, he showed up like 4 days later with a full beard again. From Bear games at Club Irwin to Topper Time on a work night,it was a lot of fun my friend. This scotch and water is for you Brian. R.I.P.
