“ It is very hard to have a Love one taken away from us before we think it's time but only God has control over that. My children, Richelle n Bryan grew up with The Blanchette 's. They played baseball , went to school together and were good friends for many years. Brian was an onry kid but a good kid. He will be sadly missed but I hold alot of memories of the fun times my kids shared with him n his family.

R.I.P. Brian. God Bless You and comfort U'r Family!!

“ I am terribly saddened of the news of Brian's passing. So young...I remember growing up as youngsters - playing in the neighborhood, endless hours at the ballpark. My dad got such a kick out of Brian all those years ago, I can still hear Brian call out to my dad - "Hey Randy" followed by whatever inquisitive question Brian had in mind at the time. RIP - Brian! I am hopeful that found memories such of these will help to make the pain and grief more bearable in the days ahead for family and friends.

*In Loving Memory-
