“ Julie, I was so sorry to hear of the loss of your dear husband, Brian. You and your family are in my thoughts and prayers. Your former co-worker, Laura Golowski
Ps (I think of you often, Julie, and every spring when my daffodil's bloom, I remember the fun that we all had at BBCHS on department meeting days, as the retirement gift you all gave me was a gift certificate to Tholen's and I used it for daffodil bulbs.)

“ My most sincere condolences to the entire Ebersole families. My memory of Brian consists of a trip to Great America when I was a senior in high school. “Butch” and I had girlfriends at time and we headed out in my old man’s Ford LTD..we made our way up and Had great time at park. Brian drive and we were soo late getting back. I seem to remember the needle on the old man’s car hitting triple digits several times. My girl was so home at 11 but we made it by 1am!!! He got us there and back and no one got in too much trouble! Haven’t thought about this in years , but just wanted you to know he gave us all a great day and that he was loved by many. Love and prayers to all... sincerely, Marty Cotter
