“ A few pictures of the happiest days of our lives as a family... Love you baby

“ Brian you are my best friend and my lover. I miss so much everyday. I'll never forget the day we found out we were pregnant with Dalton and how unbelievably happy you were. He was your favorite little man in the whole world. He knows how much you loved him and cared about him. I look into his eyes everyday and see you staring back at me. He doesn't realize what has happened yet but he gets sad if I bring you up. He really misses you. I promise he will know how great of a dad you were. I know you are watching over us and guiding us through our lives. I promise every year on your birthday and fathers day we will visit you. You maybe gone but you will never be forgotten. Dalton and I love you forever baby. We hope you are at peace now

I didn't see brian as much after high school but whenever I seen him he always gave me a hug and big smile. RIP Brian and may the family find peace in the good times you shared with him and that deep down he truley loved his family.
