“ Uncle Ron, Aunt Sandy, Kris and Nick...I am so sorry to have received the news. I don't have the words to express how terrible I know it is for you.

I will always remember Brock with a smile. Growing up, no one in our family was as 'happy go lucky' and always with a smile more than Brock. And that is exactly as he was when we saw him last year.

My thoughts will be with you over the next few days and months.

“ We were saddened to hear about Brock. $\frac{1}{2}$ I still picture him as he was when you used to bring him in to Theresa's Cafe! Gary is only too familiar with your pain, as he lost Gary Jr. just a short time ago. We are $\frac{1}{2}$ currently taking care of my grandfather and unable to attend the services, but $\frac{1}{2}$ wanted you to know that we are thinking of you, and you are in our thoughts and prayers. May GOD help guide you through this very difficult time.
