“ Bruce was my boss for a few years at Buttle Financial and I enjoyed working for him so much. He put up with my craziness when I was going through my divorce and he would sit and listen and give me advice and he was just such a great man. I am so sorry to hear of his passing, the world lost a great man but heaven gained an awesome angel. Prayers to Kathy and kids cause it will take time to get through this loss but he lives in your hearts.

“ Bruce was my New York Life agent. I enjoyed our meetings together and I purchased some policies from him in 2015. I knew he was struggling with his cancer and I was saddened when I recently discovered that his struggling was over. God bless his family.

“ I just learned of Bruce's death. It was said to hear. He was such a comfort to me while I was going through cancer treatment and his prayers for me helped a lot. When he was diagnosed, we shared a lot and hugged every time we saw each other. I worked at NYL for a long time and his face was always amount the most friendly and genuine. I will keep his family in my prayers.

“ Our thoughts are with the Buttle family during this difficult time. We have fond memories spent around the pool at Eagles Nest in Marco Island. Bruce always had a smile on his face and treated us as though we were part of your family! We remember him planning out our trip to Disney World with the entire park mapped out before we stepped through the gates. You will be sadly missed. Sending love from Canada. “ Bruce was my insurance agent while I owned two businesses and continued to be an adviser after I retired. I spoke to him two weeks ago when he called me from his doctors office and while he seemed hoarse, it seemed to be the always professional and helpful man I have know for 25 years. I will miss him and extend my deepest sympathies to Kathy and the rest of the Buttle family.

“ I am very fortunate to have spent many days snowmobiling with Bruce. His sense of humor always kept the group lighthearted. We will all miss Bruce wanting to stop for a photo op. I am unable to attend the memorial due to a family commitment. My thoughts and prayers are with the Buttle family in this time of sorrow.
