“ Sue, I am so sorry to hear of Bruno’s passing. I remember him coming into work to eat or pick you up after our thousands of breakfast shifts we worked together. Those were truly the good old days. May the Lord bring you comfort during this difficult time. Dan Barry

“ My favorite memories of Uncle Bruno revolve around Christmas at Grandma’s house. It’s always special to a child when a grownup takes time to really talk to them and Uncle Bruno as well as all my Aunts and Uncles, did that. Children mattered to them and they encouraged them. It was an awesome feeling as a child. Thank you for those memories-

“ We met Bruno and Sue through my friend
Mary(Nolan). They always included us at their
many fall bonfires. Bruno always went to so
much work preparing for these to make
everything great. They welcomed us into their
family. Bruno will be missed. His laugh was memorable. Rest Bruno

“ *Sending My Love and Prayers for Mrs. Papineau. My heart goes out to you. We visited so many times on your porch with you and Mr. Papineau. sharing stories and Hugs. Taking care of Mr.Papineau. I would surprise you both with homemade goodies or flowers from My Garden. We chatted quite a few evenings away just sitting on the porch... One of those visits with Mr. Papineau I mentioned what was that huge plant at the end of the sidewalk. he said it was a mosquito plant. He said it usually grows as High as the roof. but he planted it late this year. He got up asked me to help him in the garage I helped pull some boxes down Inside were dried twigs with seed pods. He gave me several and said next year plant some. I thanked him and we went back to sitting with Mrs. Papineau. He watched me -smiling saying,(I can see you already know where you're going to plant those seeds) Indeed I did the next year I planted them waiting and waiting. finally, this big plant emerged I watered it and it kept growing but not as super-sized as his. It grew through the fall and into Nov. I covered it up. I didn't want to lose it as it did not go to seed yet. I never got to tell Mr. Papineau this story. He was sure I could get it to grow. Funny when I asked him if the Mosquito plant kept the bugs away. He Laughed,(I don't know it's way over there.) I will miss his kind heart. May God Bless him in Heaven as I know he is with his daughter who he missed dearly. Sending a warm hug to Mrs. Papineau. I love you both so much May God and his angels surround you with His Love and comfort your grieving heart. Love your Neighbor, Susan L.Tully- Potter.*
