“ I am deeply saddened by the loss of Bruno Tucker. I've known Bruno for 58 years, ever since he married my cousin, Sherry. I remember so many great family times we shared, whether it was birthdays, graduations, cruises, trips or just out to dinner. I remember going through the Panama Canal on a cruise and Bruno was so interested in the entire ship/canal procedure and was able to explain what was happening to the rest of us. Bruno was more like a brother to me, and I will miss him very much. May you have eternal peace. Love, Janice

“ Mr Tucker was a kind easy going man that never took life too seriously. My favorite memory was him driving Steve & I back to ISU (college) going 35-40 mph on the expressway with other cars going by honking their horns Mr Tucker had his arm out the window relaxed and said “Ah we get there when we get there there’s no hurry right boys”. He always took time to talk to me and not just idle chit chat like other friends parents growing up he genuinely wanted to know what was happening in my life. A good man who I will remember fondly, thanks for the memories Mr Tucker with Love
