*I was sorry to hear of your dad's passing. You always lit up when you talked about him. You shared stories about how he liked to tease you, kids; and then later on, grandkids. It was obvious you all brought great joy to his life. Our thoughts are with you.*

*I will miss my friend Burry and the times I sat in his car while Pat got her hair done. What a sweetheart he was we had many good laughs and long productive talks. It will not be the same when I leave after I get my hair done and Burry is not in his car. I will however have many wonderful memories of a very special friend. You are now pain free my friend you are truly blessed. Love you Burry.*
