“ So sorry for your loss. I have many memories of going to uncle Cams house, when I was a kid. Hanging out with the twins. Sitting on the huge rock that sits on the corner. They had the coolest basement with a huge train set ,and the girls had a kitchen set. Then we all grew up, made choices some didn't agree with, but Uncle Cam never changed how he treated you, he always spoke and with that twinkle in his eye and his smile he let you know, you were always welcome at his home.
