“ *Carl was the best father-in-law a girl could ever ask for. He has been like a father to me for almost 30 years. I do not know what I am going to do with out him. I am going to miss his laugh, his kidding me and even his stubbornness. He stuck by me and supported me during the hardest times in my life and now losing him is one of the hardest times in my life and he is not going to be there. I not only lost my family but my friend. I love you Carl. Until we meet again. Love Missy.*

“ The Runt was a good man. We had a lot of good times with the Runt. He was always one to make the whole group laugh no matter what.
