“ *As Uncle Carl begins his journey he is amazed at how great he feels...a hum escapes his lips he even dances a little jig.*

*In the distance a bright light beckons to him, but a small shadow grows near....it's Jacque!!! Jacque leaps into Uncle Carl's arms and after a quick face lick and a tummy rub.....they venture on their way.*

*As Uncle Carl steps into the light, famaliar faces appear. He nods to Janet and Eddie and Harry and Elenor, shakes hands with Fred Miskel, gets a hug from Bealuh Faye.....and realizes this is truly heaven when he gets a kiss on the cheek from Lura Mae.*
