“ *To my loving Grandma Carol,
Yesterday was your first birthday since you were called to be an angel. Sad day for the family. What was a happy day for many years came to an end when God called you home. I know that it was for the best reasons and you are no longer in pain. For that, I thank him. I am sure that you are watching over Taylor, please guide her in the right direction. I know you are her guardian angel. Please let it be known that you will never be forgotten.*
Love always,
Ashley

Amanda,

Thank you for remembering Grandma. Forever and always cousins....Blood or not. You will always be looked upon as my cousin. Grandma would have wanted it that way.
