“ Our hearts and prayers are with those loved ones that Aunt Carol left behind. I know how hard it is to lose your mother. As time goes on your memories of her will bring you comfort. I always admired her zest for life and her love of travel. She will be dearly missed. So sorry we can't attend her services, you will be in our thoughts.

“ I didn't know Carol for very long, I met her and many Warren relatives through her son, Bill, my 2nd cousin, at a family reunion a little over a year ago. By knowing Bill and meeting the Warren relatives I know that Carol was blessed throughout her life to be surrounded by what is important--family. Family that cared, loved, and supported her. On behalf of the Wise family let me express our deepest sympathies and also celebrate her life.

“ My Aunt Carol was a sweet and kind, funny and helpful. I miss her very much and wish she could have stayed here with us for a longer time. I know that she was ready to leave and go to a better life in Heaven with God and the rest of her family and our family too. My mother said that Joanne (Bill's wife) was going to have a cup of coffee waiting for her when she got there. I know that she will or already is there watching over us forever and ever. She will watch over her children, grand children, great grand children and great great grand children and everyone after that too. I miss her so very very much and so does everyone else. I am very sure of that. She will always be in my prayers forever. I miss her, but I think she will have a better life where she is now. We will all get to see her some time in the future.

“ I have so many special memories of Aunt Carol - picnics in Kankakee, visits with her at my parents' home in Normal, and when she and Chuck came to our daughter's wedding. Her 3 children were very close in age to us in our family. She had a sweet smile, grandma's laugh and giggle, and we are all going to miss her. God's blessings to Chuck, Lori, Jeff and Bill. Another angel in heaven.
