“ Carol Neveau was my neighbor and friend in Cambridge Village, Bradenton, Florida. Carol had many friends in our community. She enjoyed Bunko, Bingo, community dinners and parties in the Village. She kept in contact with former village friends who moved away. We often went places together- to stores, church, restaurants and for scenic rides around town. She kept in contact by phone and mail with her many friends and family members.

Carol enjoyed visits from family, friends, and Meals on Wheels delivery friends. She also enjoyed old tv movies and kept current with the news on tv, even politics. She played her favorite old songs on the Alexa speaker we gave her a few years ago.

Carol always spoke kindly of all her friends and family. She not only enjoyed visits from people, but even had two dog friends, belonging to neighbors. They loved being petted, as they sat on her lap. They even knew the directions to her front door from theirs.

Carol was a wonderful person, loved by all who knew her. Eileen and Walt Grabenstein

I met Carol while working at the Kroehler Furniture Mfg Co., she was so much more than a clerical worker, she was an inspiration! I learned much from her professional and courteous example. Though it has been years since I've seen her, I am glad to call her friend!!
