“ *Uncle Bob, and cousins Kim, Julie, Mark, and Doug--  
Heartfelt sympathies to you on Carol's passing.  
81 years of life and 60 years of marriage--how wonderful, but no doubt you hoped for more time together.  
Though we've not seen each other for many years, I can easily picture Carol and Vivian laughing together to the point of wiping away tears. Our mom always envied and was proud of her younger sister Carol's adventurous spirit, and the ranch life she and Bob lived in Colorado and Texas, with peacocks, goats, horses, and rattlesnakes!! And she appreciated sharing the care of their dad James, in his final years.  
Tenderness to you all.  
Love,  
Kathy Peter*
