“ *I've cherished many memories from my years working with Fuzz at the Perry Farm. He taught me a lot about work and life in my younger years. I am very grateful for my time with Fuzz. He had a huge part in molding me in to the man I've become today. He will be greatly missed but never forgotten. RIP Fuzz, I can still picture you laughing that day on the trails with the Brush cutter.*

“ I remember Fuzz when we worked at the BTPD Perry Farm Park. If
there was something that needed to be done, he took care of it and
didn't make a big deal out of anything. He was a gentle man in the
truest sense of the word. I am sure he will be missed by many. My
sympathy to his family and friends for your loss. Here's wishing your
memories keep him close to your heart and laughter over shared
memories may brighten your days.

Very sad to hear that Carol has passed, Our thoughts and prayers go out to the family and friends. Haven't seen him for years but remember him when we were all growing up around Donovan during our school days and when we worked in the Kankakee area. Know he will be missed.

My heartfelt condolences to the family. I have been remembering all the wonderful times I had on the farm. Never will forget the time we went out at night and let some farmers pigs out and the time we spent at the Iroquois fair. It was also my pleasure to have had you as my best man. Rest in peace my brother you have touched many. Jimmy Brubach
