“ *I only knew him through my grandson, Nick, who Carson was always very kind to. It speaks volumes to his character how many people remember his kindness as well as his ambition and hard working nature. The world has lost a shining star. Sending love and healing to all his family and friends.*

“ Carson will always have a place in our hearts! He was the most mature respectful young man of the neighborhood and we were blessed to have watched him grow up! He always had a smile on that lit up and shined bright. He was very intelligent and had awesome work ethic and a very young age and he wasn't afraid of being challenged. Heaven gained an angel and I know he will continue to watch over his family.
You are all in our constant thoughts and prayers.

Rest In Peace Carson Kelly! At 18 years old, he was a very wise youthful entrepreneur and I was blessed and grateful to have known him and to give his start-up lawn care business a couple of 5 Star Reviews. My prayers are with his family, loved ones, and friends.

I was always so impressed with Carson. Not only did I think he was a super cute kid, I was amazed at all of his accomplishments. I watched him grow up in our subdivision. I saw each time he had a new vehicle. My son, who was one of Carsons younger friends, would always say "yep thats Carsons new truck." It amazed me how hard he worked to save up for his "wheels." He got along with people of all ages too. He was truly one of a kind. To Carsons family, we are so very sorry for your loss. Our family will not forget Carson.

I was one of Carson's teachers at BBCHS. He was always very polite, charismatic, and friendly. He would talk about his lawn care business and I was so impressed to hear about his entrepreneurship. I am so sorry for your family's loss. He will be in my prayers and I wish the best for your family.
