“ the neighborhood will not be the same without Caryl driving around in her truck, or a quick wave as she tended her cows. our thoughts are with the family during this time.

“ I had the pleasure of sharing with Caryl her love of cattle. I would call Caryl frequently and discuss farming and cattle raising. I had the good fortune of purchasing some cattle Caryl raised. May she rest in peace, I will miss talking to her.##imported-begin##Leonard and Helene Seltzer##imported-end##

“ We were so sorry to see that Caryl had passed by seeing her obituary in the paper. ½ We are dairy farmers in Peotone, IL ½ and purchased 2 dutch-belted heifers from Caryl 2 years ago. ½ We had spoken to Caryl on the phone several times & then went to her farms to see the animals. ½ I really enjoyed my conversations with Caryl, she was a real neat woman with a big heart for her animals. ½ We came and picked up the animals in April '07 ½ & Caryl was really concerned about 1 of the heifers as it had accidentally gotten bred at the age of 1 we told her we would keep in contact & did. ½ On August 19, 2007 the heifer we named Ellie Mae had a tiny little heifer calf that we pulled. ½ As soon as we had her settled I called Caryl told her it was Virginia calling from Peotone and that she was a Grandma, Caryl said, "that heifer was not do for 3 more weeks." ½ I said to her, "you've been worrying about our early bred heifer all summer haven't you?", she responded with "yes". ½ We talked for awhile & I told her we were going to name the new heifer, "Caryl", after her & she really got a kick out of that. ½ My son shows 4-H and showed that little heifer at the Will County Fair last August & won an 'A' ribbon as well as a Grand Champion Ribbon for the breed. ½ We stopped last summer at the west farm to see Caryl but she was at home her nephews who were loading out of the bins said. ½ We really enjoyed Caryl & she truly loved her cattle & I enjoyed my conversations with her over farming & animals. ½ I never got the picture of my son showing 'Caryl' at the fair to her but I will send it in her remembrance. ½ God Bless Caryl Clement as she has gone home now to be with her mom, dad, & brother whom she spoke with us about & missed. ½ Caryl is happy being back with them to tend to the green pastures of Heaven & watch over her Dutch Belted cattle there. ½ And hopefully with no rainy, snowy or bitter cold weather that as farmers we all dread. ½ God Bless you Caryl Clement we will miss you & think of you often as we continue to breed the animals we bought from you & have been breeding up to bring the milk back up & Dairy with the future off-spring.##imported-begin##Virginia & Brian Hamann##imported-end##
