“ Mrs. See was such a kind and caring person. I was fortunate enough to have worked with her for several years before her retirement. Mrs. See was one of the best educators I knew, always pushing students to reach their fullest potential. My deepest sympathy to her family and friends. She will surely be missed.

“ Caryle will be missed. I met Caryle and George at the Bradley Bourbonnais Senior Club when they first joined the club. George was always embarrassing Caryle with his jokes and made people laugh. I got to be friends with Caryle more when we went on Casino trips and they both were so sweet. Always caring about you and your feelings.

*May God be with you Caryle and may you be with your sweetheart forever.*

*My prayers are with your family at this sorrowful time.*

“ This is a fond memory I carry of Caryle since I was a child. My parents had divorced and we were living with my aunt and uncle (Caryle's older brother) and whenever Caryle and her family stopped by for gifts for their nieces they included my brother, sister and I. This I will never forget and when I get the chance I pay it forward. Rest in Peace Caryle you were an angel and now you have your real wings
