“ I miss my grandma more and more every day. She truly was the most special person. I do not think anyone can compare to the love and care she showed to not only her family but her friends and everyone around her. There won't ever be a day that goes by where I don't miss her, but what a blessing it is to have been so close with her and known her so well to be this sad and miss her so dearly. I love you, Grandma, forever and always. I know you will always be so proud of me and I am forever grateful to have had the best grandma in the entire world.

“ I first met Kay in 2018 when i starting delivering her mail. Kay and i quickly became pals. We shared a lot of laughs and memories over the years. I will miss her wittiness and how she always wanted me to try her new desserts. Kay was one of a kind. I'm so sorry for your loss she was truly a special person.
