“ Bud was a great guy. So many memories of Bud from when I was really small to later in life as an adult. I remember he and Carol always had the Waldron Road house looking perfect. If that nice swimming pool could talk...we'd ALL be in trouble. ha.

Just typing this. I remember watching the Bears Super Bowl in the family room with our cheesy Bears gear on! Seems like yesterday (30 years ago!).

I remember doing a few ride alongs with Bud when he was at Tenney Sales. Not sure why I was riding along, but I remember we'd end the day with one of his customers...that had a bar!

Since moving to Florida, I haven't seen Bud and Carol, but I have many great memories of them both in a million different situations.

I remember a story when Kevin and I were super little on Sibley Ave in Kankakee, I was like 3 years old...my mom, Kevin and I SOMEHOW got stuck in the upstairs bathroom (don't ask)....so my mom opened the window and threw soap, shampoo, toothbrushes at Bud's window next door. Finally Bud heard bathroom gear hitting his kitchen window, came out and saw the issue next door. He came up and got the door open for her...that was my first meeting with Bud.

Words on this document will never do justice to how important Bud was to all of us. We all knew him a different way, but we were all lucky he was in our lives.

All the best to you, Carol. You and Bud were blessed with a lot of great years.
